Dear Friends,

First United Methodist Church welcomes Evelyn Howard as Staff Assistant to College-Age Ministries. Evelyn will be actively working for, and encouraging, the integration of college student & young adult ministry opportunities at both the college and main Church locations. She will oversee and encourage the efforts of the “Resident Student Ministers” to connect with and minister to students on campus. Evelyn meets with the “Resident Student Minister Team” weekly for a time of programming and planning. Each month she will meet individually with each “Resident Student Minister” for a time of ministry reporting and reflection.

You will soon be hearing from Evelyn. She will be recruiting volunteers from the FUMC congregation to assist in the students’ efforts to be in ministry by providing occasional meals, etc. She will also be sharing the good news about campus ministry at UCM with First United Methodist Church and the other “Home Churches” of campus ministry participants.

Evelyn grew up at First United Methodist Church in Warrensburg. She has a degree in Cultural Anthropology with a minor in Non-Profit-Business Management, from Central College in Pella, Iowa. While at Central College Evelyn was actively involved in Campus Ministries and various other campus activities. After graduating Evelyn moved to Houston, TX to work as a direct care staff at a youth home, where she had 8 teenage girls living with her. She is currently a student at UCM, pursuing a degree in Nursing.

Be sure to greet Evelyn on Sunday mornings. You will also find her present at many of our church functions during the year.
