FUMC Warrensburg Congregation,

I would like to thank everyone for the support and welcome that I have received the first month and a half of being on staff with the College-Age Ministry here at First United Methodist Church. There have been so many people who have helped us make this transition time easier on all involved.

We are looking for more people to help. Especially needed is help providing meals for our Sunday night dinners. Every Sunday night we are having a dinner at the Wesley Center to invite people who would not normally come to a "church event" into our house. We need volunteers or groups of volunteers to help us by providing the meals and joining us for supper.

We also have a few different opportunities for people who are willing to teach a Sunday school class for College-aged people. We are open on the content or can help provide you with content, but we are looking for people who want to be involved and present in the lives of students on Sunday mornings.

If you would like to volunteer at the Wesley Center please contact Evelyn Howard (e-mail is easiest evelyn@umcburg.org) or by calling the church office.

Thanks again or all the support,

Evelyn Howard
Assistant to College-Age Ministries
